Reel ROVER

It's time to
Tame the Beast

- One-person operation
- No pallet jack or fork truck needed
- No set up, tools or chocks required
- Navigate debris, inclines and declines using our gearbox
- Integrated free-spinning ground
- Fits through finished doors and in elevators
- No wooden reels to recycle
- 1+1 configuration (1 large compartment for parallel conductors + 1 free-spinning ground wire reel)

Eliminate those awkward wire reels on your job site.
