# cerrowire® **BARREL PRO**

## Tangle-Free Guarantee

- 55-gallon size holds 2,150 – 20,000 ft
- From 1 to 7 conductors
- 14 AWG - 8 AWG

### SEQUENTIAL FOOTAGE

- Footage markings on one conductor provide accurate length of the remaining wire.
- Vivid, dual striping allows for easy neutral wire identification.

### ACCESS TO PIGTAILS

- Access to top and bottom conductor ends allows for easy testing.
